From CHARLES COLLETTE, *the celebrated Comedian.*

"I think I do as much talking as any two men in the profession. The result is frequently what is called 'a Clergyman's sore throat'—a huskiness brought on by over-work. LESLIE'S
OPERA VOICE
LOZENGES,
A PERFECT CURE
FOR
ALL AFFECTIONS
OF THE
VOICE & THROAT.

From CHARLES COLLETTE, *the celebrated Comedian.*

"I think I do as much talking as any two men in the profession. The result is frequently what is called 'a Clergyman's sore throat'—a huskiness brought on by over-work In a fortunate moment I came across **Leslie's Opera Voice Lozenges** and used them as prescribed. The huskiness disappeared, the voice became clear and strong, and capable of bearing a more than ordinary amount of fatigue. They are invaluable in curing the hoarseness incidental to long journey, and I cannot recommend them too strongly to public speakers, singers, and members of my profession.

THE MARVEL OF THE AGE!

LESLIE'S OPERA VOICE LOZENGES,

A PERFECT CURE FOR ALL AFFECTIONS OF THE VOICE & THROAT.

From CHARLES COLLETTE, *the celebrated Comedian.*

"I think I do as much talking as any two men in the profession. The result is frequently what is called 'a Clergyman's sore throat'—a huskiness brought on by over-work. In a fortunate moment I came across **Leslie's Opera Voice Lozenges** and used them as prescribed. The huskiness disappeared, the voice became clear and strong, and capable of bearing a more than ordinary amount of fatigue. They are invaluable in curing the hoarseness incidental to long journey, and I cannot recommend them too strongly to public speakers, singers, and members of my profession.
(*Signed*) CHARLES COLLETTE."

LESLIE'S
OPERA VOICE
LOZENGES,
A PERFECT CURE
FOR
ALL AFFECTIONS
OF THE
VOICE & THROAT.

From CHARLES COLLETTE, *the celebrated Comedian.*

“I think I do as much talking as any two men in the profession. The result is frequently what is called ‘a Clergyman's sore throat’—a huskiness brought on by over-work In a fortunate moment I came across **Leslie's Opera Voice Lozenges** and used them as prescribed. The huskiness disappeared, the voice became clear and strong, and capable of bearing a more than ordinary amount of fatigue. They are invaluable in curing the hoarseness incidental to long journey, and I cannot recommend them too strongly to public speakers, singers, and members of my profession.

LESLIE'S
OPERA VOICE LOZENGES,
A PERFECT CURE
FOR
ALL AFFECTIONS
OF THE
VOICE & THROAT.

From CHARLES COLLETTE, *the celebrated Comedian.*

"I think I do as much talking as any two men in the profession. The result is frequently what is called 'a Clergyman's sore throat'—a huskiness brought on by over-work In a fortunate moment I came across **Leslie's Opera Voice Lozenges** and used them as prescribed. The huskiness disappeared, the voice became clear and strong, and capable of bearing a more than ordinary amount of fatigue. They are invaluable in curing the hoarseness incidental to long journey, and I cannot recommend them too strongly to public speakers, singers, and members of my profession.
(*Signed*) CHARLES COLLETTE."

From CHARLES COLLETTE, *the celebrated Comedian.*

"I think I do as much talking as any two men in the profession. The result is frequently what is called 'a Clergyman's sore throat'—a huskiness brought on by over-work In a fortunate moment I came across **Leslie's Opera Voice Lozenges** and used them as prescribed. The huskiness disappeared, the voice became clear and strong, and capable of bearing a more than ordinary amount of fatigue. They are invaluable in curing the hoarseness incidental to long journey, and I cannot recommend them too strongly to public speakers, singers, and members of my profession. (*Signed*) CHARLES COLLETTE."
